HF 2086 – County Treasurer Licensing Moneys (LSB 5868 YH)
Analyst: Mary Beth Mellick (Phone: (515) 281-8223) (marybeth.mellick@legis.state.ia.us)
Fiscal Note Version – New

Description

House File 2086 provides that County Treasurers will retain \$5.00 instead of \$7.00 for each issuance or renewal of a driver's license or nonoperator identification card effective FY 2005. The Bill repeals the July 1, 2005, expiration date set forth in Senate File 97 (FY 2004 DOT Omnibus Act).

Assumptions

1. Prior to FY 2004, counties that issued drivers' licenses or nonoperator identification cards through County Treasurer offices retained \$3.75 for each license or card issued. The moneys were deposited into the counties' general fund. Remaining moneys were remitted to the Department of Transportation and credited to the Road Use Tax Fund.
2. Senate File 97, enacted by the 2003 General Assembly, allowed County Treasurers to retain \$5.00 instead of \$3.75 for each driver's license or nonoperator identification card issued in FY 2004 and FY 2005 only. The total amount collected is deposited into the counties' general fund. Remaining moneys are remitted to the Department of Transportation and credited to the Road Use Tax Fund.
3. There are currently 81 counties that issue drivers' licenses and nonoperator identification cards through County Treasurer offices. The Department of Transportation issues licenses and cards from permanent stations in the remaining 18 counties.
4. In the first six months of FY 2004, an estimated 604,000 drivers' licenses and nonoperator identification cards were issued. Of that amount, an estimated 214,000 (35.4%) were issued through County Treasurer offices, while 390,000 (64.6%) were issued by the Department of Transportation.
5. The number of drivers' licenses and nonoperator identification cards issued in the second half of FY 2004 and in subsequent years will be equal to the number issued in the first half of FY 2004.

Fiscal Impact

The estimated fiscal impact of HF 2086 is an increase of \$856,000 to the general fund of counties and a decrease of the same amount to the Road Use Tax Fund in FY 2005 and beyond. The counties' general fund increase includes the 81 counties that issue drivers' licenses and nonoperator identification cards through County Treasurer offices.
